Normal School must contain 2 classes

1 V (Lower Secondary class)

2 III (Upper Primary class).

In the V class, the number of pupils is proposed to be restricted to 6 of whom 4 will be mistresses already in the Service and 2 private pupils In the III class, the number proposed is 10, of whom 6 will be mistresses & 4 private pupils

6 Exclusive of the pay of a Lady Supdt, the total monthly cost required for the 2 classes is estimated at Rs 350 per mensem for the 1st year & the course in these classes is one of 19 months, ~~for the second and succeeding years~~ a further amount for Scholarships at Rs 150 per mensem will be required for 7 months in the 2nd & succeeding years in addition to the 350 Rs per mensem referred to -

Secretary to the Government of Mysore,
General and Revenue Departments
Bangalore

SIR,

With reference to your docket No 3740 Ed dated 29th January 1904, I have the honour to inform you that a training school for Muhammadan Mistresses would no doubt be of great use But hardly three or four Muhammadan girls have up to date passed the Lower Secondary Examination and it seems too early and too costly to establish a separate Government training school for Muhammadan Mistresses under a European Headmistress I would suggest that a class for Muhammadan Mistresses may be added to the Wesleyan Mission Normal school for Mistresses in Bangalore

Miss

Miss A B Cooke in charge of this school is willing to have such an additional class if Government would be good enough to provide the necessary addition to the grant of the school for the award of scholarships to pupils and for the pay of additional teachers required I herewith return the enclosure with thanks

Bangalore

SIR —

With reference to para 4 of Order No 6471 Ed dated 24th June 1904 and Reminder No 1818 / 3D 27-03 dated 31st August 1904, I have the honor to inform you that there are 65 schools for Mahomedan girls which are all of the Primary Grade except the one in Bangalore There are only five Headmistresses and one Assistant Mistress employed in important schools who have passed the Lower Secondary Examination, and I understand that there are 12 Mahomedan female candidates who have applied for admission to the ensuing Lower Secondary Examination

2 The formation of a Normal School for Hindustani Mistresses would undoubtedly be of great use in improving the existing girls schools Most of these schools are of the Lower

Primary grade but the teachers have not
11 of them passed the Upper Primary Stand-
ard, nor have any of them been trained. The
best available mistresses, most of whom belong
to the family of the Headmaster of the neighbour-
ing School for boys have been employed. It
would be necessary to have two classes in the
Normal School, one of the V or Lower Second-
ary Standard, and the other of the III or
Upper Primary Standard. The number of
pupils in the former may be restricted to
6 of whom 4 will be mistresses already in
service and 2 will be private pupils. The
number of pupils in the latter class may
be restricted to 10, of whom 6 will be mis-
tresses already in service and 4 will be
private pupils. For mistresses coming to the
Normal School from the districts a guardian
allowance of 5 Rs a month will have to be
given in addition to a scholarship of Rs 7
For private pupils a monthly scholarship
of Rs 5 will suffice. Exclusive of the
pay of a Lady Superintendent the
following is approximately the monthly
cost

cost of the Normal School

Monthly Rs

A Training Mistress	75
Two Mistresses for the III and II Standards at Rs 30 each	60
4 Pantas to collect and bring pupils in time to school and also to take them to the practising school	24
Conductress	6
Contingencies	5
Houserent	30
4 Lower Secondary scholarships for teachers of Rs 7 each + a guardian allowance of Rs 5	48
2 - Do - for private candidate at Rs 5 each	10
6 Upper Primary Scholarships for teachers of Rs 7 each + a guardian allowance of Rs 5	72
4 - Do for private pupils at Rs 5 each	20
Total Rs	350

The course will be one of 19 months commencing in January and ending in July of the following year. For the first twelve months a monthly provision of Rs 350 of which Rs 150 will be allotted to scholarships will be necessary. In the second and succeeding school year there will be two I and two III Classes

8 10

classes for the first seven months from January to July and one class of each standard for the remaining five months for the first seven ths the provision required for scholarships ll be Rs 300 a month and not Rs 150

3 The successful working of the Normal will be a matter of some difficulty the teachers and pupils will be Gosha n not sure whether Miss Cooke, Lady erintendent of the Museum Normal School, ches invaded, will undertake the responsibility of superintending the work of the ernment Hindustani Normal School also. she does not do so, in place of the Training Mistress on Rs 75, a trained Headmistress superior qualifications on Rs 100 or 125 will ve to be employed if one knowing Hindustani can be obtained from the Presidency lege for Mistresses

4. On learning that Government are epared to sanction the necessary cost, I all make further inquiries and elaborate rther details and submit a more definite scheme for the sanction of Government.
